Hi Everyone,

I'm attaching information and links from today's topics on funeral planning. We also discussed, Payable on Death forms, which let's you transfer the money in your bank account when you die, which excludes possible liabilities that can occur for joint account holders.

Please remember if you don't make plans, someone else will do it for you, and you may not like who is chosen for that task.

Next week is our final week, we will be doing Power of Attorney forms, and a simple Will.
