Attached is the list of Alapine inquiries I maintained for this year 12/1/21 through 11/28/22

The next list will be for 11/28/22 through November 2023

There are 112 names and email addresses on the list.

The number after the name (21 or 22 or 20, 22) is the year or years I got the inquiry or inquiries.

Removing the names of those who wanted to Interview us, just visit, get help creating community elsewhere, etc., leaves 48 inquiries plus 9 more who visited this year or in the past and want to stay on the list to purchase.

I will use the original date of inquiry to create a waiting list in date order of inquiry for those wanting to buy property at Alapine when we resume sales.

Barbara
