I'm making plans to go to Maia's memorial in Gainesville next week. The last January deposit I will make will be on Monday, January 30, 2023.

I have attached the financial statement for Alapine Village Road Fund through 1/30/23.

I've also attached the letter about Road Fees that I sent out earlier this month.

We received an extra \$90 toward Road fees so far this year.
